Dear Ms. Lopez:

I have received your letter dated November 2, 2009, in which you request certain records under the Public Information Act, Annotated Code of Maryland, State Government Article 10-611 to 10-628 pertaining to any interaction that the school system has had with lobbyists, lobbying organizations, and lobbying firms.

Cecil County Public Schools does not contract for lobbying services. Although we are associated with the Maryland Association of Boards of Education, it is not a registered lobbying organization. As for other professional organizations of which we may hold membership, we are unaware of whether or not they are registered as an official lobby organization. This information would be best found by contacting those specific organizations.

Please contact me with any further questions via email at kkeeton@ccps.org or phone at 410-996-5474.

Sincerely,

Kelly M. Keeton
Assistant in Administration
